What a roller coaster ride has "2009" been! National Finals in beautiful downtown Branson, Missouri, was another very successful year for many of the Entertainers of Louisiana Kids. Louisiana Kids took many top awards. We are very proud of our talented entertainers from the heartland of Louisiana.

"2009" has been a tremendous year for our Louisiana Kids entertainment Family with more than two hundred show performances this past year alone which basically kept us on the road every single weekend in some part of the State and across the Country.

From Radio & Television to Cruise Ships, our "Beat Goes On", as many new doors continue to open wide for our talented entertainers. We are so very proud of each and everyone who make Louisiana Kids the Family where "Dreams Really Do Come True".

We would like to take this opportunity in closing to send a very special "Standing Ovation" to our Parents, and Grand Parents who help us with each and every show production. None of the above could ever be possible with out your continued support, especially those who are dedicated to our Nursing Home and Senior Living Center Productions.
